

About us

Axel Zugschwert Managing director

project-coach

project-coach is specialized on consulting and coaching all fields of project management, process management and change management. We have many years of experience in the sectors of banking, financial services, software development, system implementation, IT services and industry as well as research organizations and in the energy sector. Our consultants provide expert answers to specific questions.

Your success is our objective.

We do not only bring our knowledge and our expertise into our partnership oriented customer relationship. We accompany you along the way.

Our Mission

Customer orientation is most important for us.

Using best practice combined with perfect support of your specific needs, we are able to achieve objectives quickly. We work in partnership with our clients because enthusiastic clients are our best reference.

Competence is the secret of our success.

We do not only rely on knowledge and experience. We permanently invest in learning to improve our consulting and support for you. This helps us to combine innovative, visionary concepts with our day-today actions.

Responsibility for the world of tomorrow by designing sustainable solutions for today is the basis of a common future.

We concentrate on our core competences, use the available resources respectfully and behave with integrity to our clients.
