

## Our Services

### Overview of our services

#### 01 Assess

With the first step we assess the maturity level of your company and your employees in international projects.

- Intercultural competence
- Methodical skills
- Team dynamics
- Project forces
- Project portfolio management
- Risk prevention

#### 02 Develop

We develop individual improvements based on the maturity level.

- Managing and controlling international projects
- Project portfolio management
- Project organizations
- Project Dashboards

#### 03 Train

In module 3 we focus on the training of social competence in international projects.

- Social competence in international projects
- Leading intercultural project teams
- Cooperation of global project teams

#### 04 Introduce

Processes for the coordination and project control of international projects.

- Managing and controlling international projects
- Project portfolio management
- Agile and standardized project management
- Project organizations
- Project Dashboards

#### 05 Coach

Individual challenges of international projects are supported by coaching.

- Challenges in international projects
- Leadership across distance
- Building and managing virtual teams
- Cooperation and communication
